

## Bairnsdale Aquatic and Recreation Centre & Lakes Entrance Aquadome – Learn To Swim

### **Who do our lessons cater for?**

Lessons are available for children of all ages starting from 6 months. We offer lessons for Infants (6 months – 3 years), Kinder age (3 years – 5 years), School age (Primary and Secondary) and Adults. Lessons for children are available at a range of times from mornings, after school and Saturday mornings. Classes for Adults can cater for the beginner to the advanced. Participants in all classes will not only benefit from learning to swim, they will also learn water safety and survival skills.

Upon enrolment each participant is given a Log Book (handed out at the end of term) this is updated each term to keep you informed of your child's progress.

### **What qualifications do our instructors have?**

All of our Learn to Swim staff are qualified AUSTSWIM instructors, some hold extra qualifications e.g. Infants, Competitive Strokes, Access and Inclusion and Adults. They also have current CPR and Level 2 First Aid as well as Police and Working with Children checks.

### **How much do lessons cost?**

Class fees depend on the student's age and the type of class. Fees are payable by either monthly direct debit or term based upfront payment. All term based upfront payments are payable before lessons begin.

### **What if you miss a lesson?**

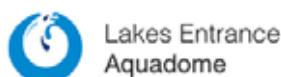

We understand there may be circumstances that prevent you from attending a lesson. If a lesson is missed due to illness (and a medical certificate is presented) we will credit you the cost of your missed lesson. If the lesson is missed due to illness and you have no medical certificate, a free family swim pass will be issued early the following term to allow you to enjoy our facilities at another time. A limit of two family swim passes per term per student applies.

### **When are our classes?**

Our Learn to Swim terms are based around the Victorian government school terms. All students are scheduled to attend one lesson per week, lessons vary from 30-45 minutes depending on the age and skill of the student.

Class times and vacancies are dependant upon the swimming ability of the student however lessons are generally scheduled Monday – Friday (Infants and Kinder age) from 8.45am – 12pm, Monday – Thursday (After School) from 3.45pm – 5.45pm, Saturday (Infants, Kinder and After School) 9.15am – 12.20pm and Adults (Tuesday 5.45pm- 6.30pm).

For specific class times and vacancies or to book a swim level assessment to identify the best class level for your child, please contact the Aquatic Education Team Leader at the Bairnsdale Aquatic and Recreation Centre on (03) 51525710 or Lakes Entrance Aquadome on (03) 5155 3333.
