

THE EAST GIPPSLAND ENVIRONMENTAL SUSTAINABILITY MATRIX

		WHAT'S AFFECTING ME AND MY COMMUNITY	IDEAS FOR MOVING FORWARD			RESOURCES				ACTION
		This column is completed as you discuss issues, with the help of a facilitator.	Discussion Groups could be inspired by the Case Study Cards to come up with their ideas for possible actions			Who should we speak to? Which Govt Department is responsible?	What existing policies / taskforces/ papers / projects affect this area?	Local groups who might be able to help advise or join forces.	List useful references.	What next? Who? When?
