During peak season, the pools open earlier on weekdays if temperatures are between 24-34 degrees.

Daily opening times are posted on our Facebook page @EastGippyShire the evening before.

We'd like to hear your views about the trail and possible improvement.

This will help us support the trail's future development and funding applications.

The aim of this project is to put together preferred options for improvements, including its maintenance, management and promotion to improve the trail experience.

If you would like to go into the draw to win one of two \$100 gift vouchers from Riviera Cycles, you will need to provide contact details, which will remain confidential.

The survey is available on our website eastgippsland.vic.gov.au/yoursay and closes on

Friday 18 January.
