Day visitor parking, boat launching and picnic facilities.

The area adjacent to the North Arm is a generous grassed area with picnicking and playground facilities. Good path connections and views to the North Arm.

Good quality sporting facilities.

Caravan Park.

A large (5-6 storey) relatively new apartment development.

Pedestrian access across the Esplanade is poor.

A disjointed path system along the water’s edge.

No pedestrian access to this wharf.

Myer Street Shopping precinct is a key community site. This intersection is the only one on the Esplanade that has traffic lights, improving pedestrian connections from the shops to the water’s edge at this point. The footbridge may need upgrading in the future.

High Quality passive recreation spaces.

Bullock Island - passive recreation facilities and popular fishing spot.
