

Potential bikeway connection to Metung.

Examine opportunities to provide pedestrian pathway connection along foreshore towards Box's Creek/ Metung and through private land (with owners agreement).

Possible longer term expansion of LDRZ in this area subject to comprehensive outline plan

Defined pedestrian paths

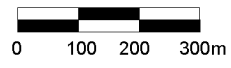

Minor enhancement to picnic reserve, improved public boat access

Stormwater management on Jetty Road

Revegetation of wildlife corridors

Key:

- Proposed town boundary <15year
- Existing low density residential
- Proposed dual use path
- Re-vegetation of wildlife corridors
- Potential pathway connections
